

Holy Cow! (Volume 2 of 2) (EasyRead Super Large 20pt Edition): An Indian Adventure

After backpacking her way around India Sarah Macdonald decides she hates the country with a passion. When a beggar reads her palm and insists she will one day return - and for love - she screams Never!. But twelve years later the prophecy comes true. When the love of her life is posted to India, Sarah follows him to the most polluted city on earth, New Delhi. It seems like the ultimate sacrifice for love and it almost kills her - literally. After being cursed by a naked sadhu smeared in human ashes Sarah almost dies from double pneumonia, but not before facing some serious questions about her fragile mortality and inner spiritual void - not to mention some unsightly hair loss. Its enough to send a rapidly balding atheist on a wild rollercoaster ride through India in search of the meaning of life and death. With the help of the Dalai Lama, a goddess of healing hugs and a couple of Bollywood stars - among many, many others - Sarah discovers a hell of a lot more.
