

Commanding the Titans in their war against the Olympians, Atlas was forced to hold up the heavens on his shoulders. His life was a tragic story of a lone God fighting boredom on Mount Olympus. However, monitoring the earth from above, Atlas watched Earth change and the emergence of super-powered beings donning capes and tights. Growing restless and craving adventure, Atlas decides to take the world in his hands and becomes one of the Earths newest heroes! Creative Child magazines Book of the Year gets an addition! After tackling the planets, Atlas is now taking a tour of Earth in this new book for all ages.
