

Confections of a Caterer

Muriel Emery, a professional caterer, and her daughter, Katie Emery Deckert, have served up a delectably easy to follow cookbook for the social epicurean. Muriel has supplied sixty-nine delicious recipes along with menu ideas for perfect pairing. She has also provided tips and hints that will help even the most inexperienced cooks appear to be professional chefs. Interspersed throughout the cookbook, Katie has included endearing tales of Muriel's adventures in catering, stories behind some of Muriel's and Katie's favorite recipes, and kitchen nightmare anecdotes to demonstrate what not to do. With *Confections of a Caterer*, creating tasty hors d'oeuvres, entrees, and desserts for your next event has never been so simple or so fun.
