Dan is a master Minecraft player – but even his abilities are tested when he's faced with the Minecraft mobs for real. After his dad accidentally invents a machine that transports Minecraft mobs into the real world, it's up to Dan and his two best friends to save the day. Armed with blasters and water cannons, Dan and his friends must find a way to vanquish an army of wolves, Creepers and Zombie Pigmen before their whole world is destroyed. How do you fight off a horde of angry zombies? How do you outsmart a huge Ender dragon? And how can three kids save the world from sure destruction? Using only their wits and their Minecraft know-how, it's up to Dan, Felix and Olivia to embark on a deadly quest that will bring them face to face with Minecraft's most feared mobs. As the real world and the Minecraft world collide, human civilization hangs in the balance. Will Dan save the world from the Minecraft mobs or will humanity be destroyed once and for all?
