

Disney*Pixar films are known and loved for creating remarkable worlds and memorable characters. Now the entertaining personalities from Toy Story, Cars, Monsters, Inc., Brave, Finding Nemo, Ratatouille, A Bug's Life, The Incredibles, WALL-E, and Up can come to life from the page for any young artist-in-training. In this fun instructional drawing book, fans will enjoy learning to draw loads of heroic and iconic characters from favorite timeless Disney*Pixar films. Learn to Draw Your Favorite Disney*Pixar Characters opens by introducing artists to a small selection of essential drawing tools and materials, as well as a range of options for adding color—including crayons, markers, colored pencils, and paint. Next, artists are guided through a warm-up with some quick and easy sketching exercises before moving on to the step-by-step drawing projects. Each drawing lesson begins with a basic shape, such as a circle or an oval, and each new step builds upon the last, eventually progressing to a finished piece of color artwork. Additionally, each new drawing step is shown in blue for a helpful guide so young artists know exactly what to draw next. Along the way, professional Disney artists and illustrators share helpful tips and tricks for bringing each character to life so they look just like they do on the big screen. With a range of fun and exciting characters in a variety of poses, young fans will enjoy discovering new facts about their favorite Disney*Pixar characters and will be drawing each one like a pro in no time!
