

# Lippincott's Illustrated Reviews: Biochemistry, Fourth Edition (Lippincott's Illustrated Reviews Series)

Thoroughly updated for its Fourth Edition, Lippincott's Illustrated Reviews: Biochemistry enables students to quickly review, assimilate, and integrate large amounts of complex information by utilizing powerful visual resources that deliver the focus and clarification needed for mastery of difficult biochemical concepts. Its signature outline format, full-color illustrations, and end-of-chapter summaries and USMLE-style review questions make it one of the most user-friendly books in the field. New features include boxed, high-yield facts throughout each chapter and expanded coverage of molecular biology. A companion Website features fully searchable online text and additional USMLE-style questions for students and an Image Bank for faculty.
