

Our Island Story by H. E. Marshall is an Edwardian history book for younger listeners (age six to 12) that tells the story of England, concluding with the reign of Queen Victoria. Antonia Fraser and many other current historians declare that it was this book that opened the delights of history for them. It fell from fashion in the 1960s, but its recent re-release in hardback has seen it become a publishing surprise in the UK, with sales of some 75,000 copies in a few months. Now, Naxos AudioBooks releases it unabridged in three volumes, divided into three clear periods of history. Though slightly edited to take account of historical changes and attitudes, it is presented unabridged.

Prost!: The Story of German Beer, Just Chairs, Can I See Your I.D.?: True Stories of False Identities, Childrens Furniture, The Nations Favorite Food Fast: 100 Best-Loved Recipes For Busy Lives, Mental Health and Psychological Practice in the United Arab Emirates (UAE), An introduction to merchandize.
