

The Lidless Eye Player Guide (Middle-Earth, Ccg (Meccg) Support)

This sixth supplemental volume to the Middle-earth Collectible Card Game features in-depth analysis and reference information for the Middle-earth: The Lidless Eye (MELE) expansion. It is comprised of three major sections. Firstly, there is a strategy guide which provides insight into deck design and play focusing on cards from MELE. Secondly, there is black and white high resolution reproduction of each card from MELE. Finally, there is a section of featured card groupings. This section discusses tactical and deck tuning concerns for each group and gives colorful text which places the grouping in the context of Tolkiens world.
