

The Remarkable Benjamin Franklin (National Geographic)

No one could have thought up a more amazing character than the living, breathing Benjamin Franklin. He was everything from a soapmaker, candle dipper, and printer to a postmaster, political activist, community reformer, revolutionary, statesman, international diplomat, and first great citizen of a nation which he, as much or more than anyone, helped to create. Acclaimed childrens author-illustrator Cheryl Harness through her true-to-life paintings and storytelling-style narrative, along with a generous sampling of Franklins own words, lets you walk in his shoes as you discover just how truly remarkable Benjamin Franklin was.
