

Death is not the end! In a world filled with undead, resurrection, and beings from beyond the mortal plane, long-dead mistakes can still cause problems for the living?or provide opportunity. Pathfinder Player Companion: Haunted Heroes Handbook takes aim at possessing forces of all sorts, from worldly magic to spirits of the dead, and provides you with options to rid yourself of that influence, take back control, or profit by cunning bargains with forces in need of a mortal vessel. This handbook also provides valuable information on the places, organizations, and faiths especially concerned with spirits, hauntings, and possession, and how any of these can affect your outlook and abilities. Each monthly 32-page Pathfinder Player Companion contains several player-focused articles exploring the volume's theme as well as short articles with innovative new rules for all types of characters, as well as traits to better anchor the player to the campaign.
