

Rubins Pathology: Clinicopathologic Foundations of Medicine

Substantially revised with hundreds of new schematic drawings, photographs, and micrographs, the Fourth Edition of Rubins Pathology maintains the clinical approach that is ideal for medical students. This edition is packaged with a brand-new electronic supplement the Virtual Pathology Slide Set. Students can view digital slides of microscopic specimens with virtual microscope viewer software that enables panning, zooming, and magnification. Every copy of the textbook comes with a CD-ROM containing 5 specimens. Faculty and schools wishing to license a more complete set of 100 virtual slides on DVDs can license the Virtual Pathology Slide Set.
