

The first edition of Equine Locomotion has established itself as the book in the equine literature that discusses all aspects of equine locomotion and gait analysis, written by an international team of editors and contributors. The new edition continues this trend and gives the reader a complete picture of the horse in motion, at the same time including many recent findings in this area. The book begins with a history of man's association with the horse and then continues to discuss with comprehensive descriptions of the present state of knowledge beginning with the initiation of gait and ending with the more scientific area of computer modeling. In the new edition, the list of contributors continues to comprise of authors who are acknowledged experts in their subject areas and includes many new illustrations.

Prescribing in General Practice (Business Side of General Practice), Disney's Hercules Junior Novelization, Olive You!: And Other Valentine Knock-Knock Jokes You'll A-Door (Lift-the-Flap Knock-Knock Book), Life Lessons By Brutus (Brutus The Poet Dog Book 1), La vida del pinguino (?Mira como crece!) (Spanish Edition), Principles and Practice of Electrical Epilation, Second Edition,
