

## The Treasure Hunters Club, Book 3: The Search for Excalibur

Tommy Reed and the Treasure Hunters Club have been on many thrilling treasure hunts, but their latest undertaking will take every amount of their smarts, ingenuity, teamwork, youth and grit. When a secret government agency asks Tommy and the Club to help them search for the first of the mythical Twelve Treasures they can't resist the temptation. Find King Arthur's sword Excalibur! But a secret society known as the Brotherhood, led by a mysterious man known as the Baron, is also looking for the great weapon for their own use. The Barons goal? Acquire all of the Twelve Treasures and create a new world order. Unbeknownst to the Treasure Hunters Club they have stumbled on a plot for world domination and a desire to awaken an old evil. Join the Treasure Hunters Club on the quest for the Twelve Treasures as they race against evil with the fate of two worlds hanging in the balance and no points for second place. The Search for Excalibur features a large cast of new and unforgettable characters. With an adventure spanning two worlds, the third installment of the Treasure Hunters Club series, is the most exciting and action packed yet! LET THE QUEST BEGIN!
