

For 17 years readers have turned to Storey Books for advice on raising animals. Our Modern Way series of six books has sold more than 1,000,000 copies. In an effort to provide readers with the best how-to animal books on the market we are completely updating all six Modern Way titles and reintroducing them as part of our Guide to Raising series. Written by experts, these guides give novice and experienced livestock farmers all they need to know to successfully keep and profit from animals. Each book includes information on selection, housing, space requirements, breeding and birthing techniques, feeding, behavior, and health concerns and remedies for illness. The books also address the business of raising animals -- processing meat, milk, eggs, and more. The authors were chosen not only for their expertise but also for their ability to explain the ins and outs of animal husbandry in an inviting and authoritative manner. Whether readers are ready to start an entire herd or flock or are considering purchasing their first animal, Storeys Guide to Raising series offers vital information; each book is an indispensable reference.

The Age of Anxiety: A History of Americas Turbulent Affair with Tranquilizers, Underwater: Exploring Rivers and Streams (Journals of Exploring Book 1), THE GOURMET POISONERS HANDBOOK, How to Build a Letter Organizer (Doc Handys Furniture Building & Finishing Series Book 1), Foot Reflexology: A Complete Guide for Foot Reflexology Self Massage, Your Favorite Foods - All Sugar-Free Part Two and Sugar-Free Pressure Cooker Recipes: 2 Book Combo (Diabetic Delights), The Raven and the Fox (Cambridge Reading), Clinical Anatomy and Physiology for Veterinary Technicians - Elsevier eBook on VitalSource (Retail Access Card), 3e, Cheese: Selecting, Tasting, and Serving the Worlds Finest,
